CAREER OBJECTIVE:

To obtain a position in Accounting, Finance, Office Administration, or a related professional field where I can effectively apply my academic training, analytical abilities, and computer proficiency. With additional experience as a Graphic Designer, I bring a unique combination of analytical and creative skills, allowing me to contribute to organizational efficiency, communication, and long-term growth while advancing my professional career.

CAREER SUMMARY:

A dedicated and responsible BBA (Accounting) student with practical experience in office work, computer database programs, and creative digital skills. Possesses strong foundational knowledge in accounting principles, MS Office applications, and data handling. Actively involved in graphic design, content creation, and basic digital marketing. Highly motivated, quick to learn, and committed to delivering quality work with full dedication and professionalism.
